# WELCOME

Welcome to our 15th Annual Spring Bull Sale. From our very first sale our goal has been to provide you, our customers, with herd sires that you can be proud of and that will make you money. That goal continues today. We take great pride in the fact that several of the first sale buyers are still our customers and friends.

The bulls being offered in this sale are every bit as good as any we have ever presented, and we think are as good as you will find anywhere.

They are still raised in grass pastures and limit fed to allow them to grow and develop at their own individual pace. All of the bulls have passed a rigorous breeding soundness exam and are BVDPI test negative. They have been dewormed and boosted for blackleg, respiratory and vibrio leptos.

As you look through the catalog and video feel free to call either myself, Justin or Travis if you have any questions. Dr. Mike Tripp and Dr. Caleb Pratt with Southern Plains Animal Hospital can answer any questions about our herd health protocol. The clinic's number is (580)662-3002.

We look forward to seeing you on sale day March 9th. As always, at Nipp Charolais, WE APPRECIATE YOU!

**Frontier Feeds offers a complete line of cattle mineral and feed, including commodity blends, cubes and pellets.** We manufacture our ¼" Creep Pellets and AN Cattle Cubes with a protein content range of 14% - 37%, including a 34% Hi-Fat Cube or Pellet. Frontier's EZ Creep Pellet is formulated with Availa 4 and Bovatech to be a nutrient-dense, energy-packed pellet with 16% Protein, 3% Fat, & 13% Fiber. You can expect improved health, larger gains, and less overall stress at weaning when using EZ Creep. Frontier EZ Graze Mineral contains the proper balance and ratio of essential cattle minerals. EZ Graze is available with or without Medication and/ or IGR/Fly Control. Frontier's cattle feed and mineral is formulated to meet the nutrition requirements of cattle throughout the stages of development. In addition to our standard line of cattle feed, we have the capability to manufacture custom rations, pellets, and cubes upon request. Frontier focuses on providing top nutritional quality feeds with strict quality-control production methods. Our quality feeds and minerals assist our producers in achieving maximum results within their livestock operations.

**Frontier manufactures a full line of pig feed centered around gut health and efficiency.** We produce high-quality sow cubes, ground gestation and lactation diet, 2 types of commercial grower diets, and baby pig feed. Frontier's full line of baby pig feed includes a ground blend and medicated/non-medicating pellets of Pre-Starter, Starter 1 and Starter 2. Frontier manufactures all pig feeds in-house as a ground blend using Ralco's proprietary technology to enhance gut health by increasing populations of good "gut" bugs and decreasing bad "gut" bugs. The exception is the pellets used in our full line of baby pig feed and the sow cubes. In addition, Frontier is the regional manufacturer for Ralco & Lindner Show Feeds.

**Equi-Grain is Frontier Feeds' line of 5, premium, house-blended feeds.** The different Equi-Grain rations have been carefully formulated to cover all classes of equine and their nutritional needs year around. Each blend has been designed with the same basic ingredients to ensure an easy transition between feeds to fit the changing pasture conditions, workloads, or your aging equine. The entire Equi-Grain line is formulated with Element. Element is a special blend only found at Frontier Feeds. With the addition of Element, we can ensure consistent blends and unbeatable quality. Element is in a pellet form making it the ideal "element" to produce quality mixtures. This feature is packed with vitamins, minerals, chelated trace minerals, and digestive aids. Element is the foundation of our equine line and is designed to provide consistency and support equine nutrition.

**As a full-service agriculture provider, Frontier Feeds provides a wide range of products and services to match the needs of your farm or ranch. We offer EnergiPlus Livestock Supplements, animal-health products, pet food, bird seed, non-Frontier show feeds, show supplies, & farm supplies.**
