Welcome!

Welcome to our 14th Annual Spring Sale. While this is our largest offering to date don't think we've let quality slide. Without a doubt these are some of the longest, naturally thick and goof footed bulls you'll find anywhere.

Just as always, the bulls have been grown out in grass pastures and limit fed a high roughage ration along with grass hay as needed so as to allow them to develop at their own pace. It has been a real pleasure to watch these bulls grow and develop into the kind of bulls that you've come to expect from us; bulls that will sire calves that will make you money.

Yes, it has been a tough year for all of us in the cattle business but it certainly appears that better days are near. Most weather forecasters are predicting an El Nino weather pattern which should mean better growing condition for both North and South America. This well could help with the high feed prices we've been facing and in turn feedlots should be stepping up to the plate in order to acquire these same calves. We still sell cattle by the pound and pounds are what Nipp Charolais bulls are proven to produce.

Please look over our offering and if we can help in any way don't hesitate to call myself, Justin or Travis. We're always glad to assist you and remember at Nipp Charolais we appreciate you.

Sincerely,

Curtis Nipp

Frontier Feeds

MARLOW OKLAHOMA

Frontier Feeds Company is a full-service, livestock-feed manufacturer, located at 1801 W. Nabor Ave., Marlow, OK. Frontier provides feed in 50lb sacks, Super-Sacks, or bulk deliveries. Any Frontier Feeds product, as well as custom rations, can be delivered in bulk as 3-Ton minimum orders. Custom rations manufactured in 50lb sacks may be ordered as 2-Ton minimum orders. Please call 1-580-658-2525 or 1-580-721-9548 for pricing on any type of feed.

Frontier Feeds offers a complete line of cattle mineral & feed, including commodity blends, cubes & pellets.

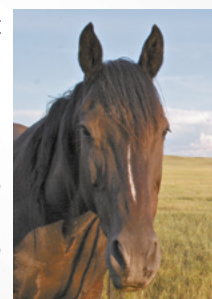

We manufacture our 1/4" Creep Pellets and AN Cattle Cubes with a protein content range of 14% - 37%, including a 34% Hi-Fat Cube or Pellet. Frontier's EZ Creep Pellet is formulated with Availa 4 and Bovatech to be a nutrient-dense, energy-packed pellet with 16% Protein, 3% Fat, & 13% Fiber. You can expect improved health, larger gains, and less overall stress at weaning when using EZ Creep. Frontier EZ Graze Mineral contains the proper balance and ratio of essential cattle minerals. EZ Graze is available with or without Medication and/or IGR/Fly Control. Frontier's cattle feed and mineral is formulated to meet the nutrition requirements of cattle throughout the stages of development. In addition to our standard line of cattle feed, we have the capability to manufacture custom rations, pellets, and cubes upon request. Frontier focuses on providing top nutritional quality feeds with strict quality control production methods. Our quality feeds and minerals assist our producers in achieving maximum results within their livestock operations.

Frontier manufactures a full line of pig feed centered around gut health & efficiency.

We produce high-quality sow cubes, ground gestation and lactation diet, 2 types of commercial grower diets, and baby pig feed. Frontier's full line of baby pig feed includes a ground blend and medicated/non-medicated pellets of Pre-Starter, Starter 1 and Starter 2. Frontier manufactures all pig feeds in-house as a ground blend using Ralco's proprietary technology to enhance gut health by increasing populations of good "gut" bugs and decreasing bad "gut" bugs. The exception is the pellets used in our full line of baby pig feed and the sow cubes. In addition, Frontier is the regional manufacturer for Ralco & Lindner Show Feeds.

Equi-Grain is Frontier Feeds' line of 5, premium, house-blended feeds. The different Equi-Grain rations have been carefully formulated to cover all classes of equine and their nutritional needs year around. Each blend has been designed with the same basic ingredients to ensure an easy transition between feeds to fit the changing pasture conditions, workloads, or your aging equine. The entire Equi-Grain line is formulated with Element. Element is a special blend only found at Frontier Feeds. With the addition of Element, we can ensure consistent blends and unbeatable quality. Element is in a pellet form making it the ideal "element" to produce quality mixtures. This feature is packed with vitamins, minerals, chelated trace minerals, and digestive aids. Element is the foundation of our equine line and is designed to provide consistency and support equine nutrition.

As a full-service agriculture provider, Frontier Feeds provides a wide range of products & services to match the needs of your farm or ranch. We offer EnergiPlus Livestock Supplements, animal health products, pet food, bird seed, non-Frontier show feeds, show supplies, farm supplies, fertilizer sales & application.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding platform for cattle buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy - just go to the home page of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smart phone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid on the internet, but you must be a member of www.superiorclicktobid.com to "Click-to-bid". Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452.

*If you plan to bid by phone through Superior Livestock or 'Click-to-Bid', you must register at www.superiorlivestock.com prior to bidding.
